- 5. Update on previous planning applications:**
Y14/0700/SH, 10 Upper Corniche, Sandgate- approved with condition
- 6. English Heritage Consultation-** Cllr Fuller said that if a councillor wanted to draft a response for the parish this could be brought to the next Planning meeting before 5th September. If no proposal was drafted, then councillors could send their individual responses to English Heritage.
- 7. Correspondence**
- 7.1** The Assistant Clerk told the councillors that the council's agreed response had been sent to Kirstie Mockford, Auditor for Kent Audit Partnership regarding the online planning system.
- 7.2** An email dated 12th August had been received from Chris Lewis, Head of Planning at SDC, regarding land adjoining 5 Radnor Cliff. Cllr Fuller asked that this be put on the agenda of the next Planning meeting.
- 8. Information**
- 8.1** The Assistant Clerk told the committee that the Parish Clerk had seen some evidence of digging, and other preparation for building works, opposite 3 and 5 The Corniche. There seemed to be an absence of any planning permission. Cllr Prater and Cllr Fuller said they would visit the area.
- 8.2** Cllr R Bliss said that he felt that because of its historical significance a TPO should be put on the tree at 34 Radnor Cliff. It was noted that at the previous Planning Committee the felling of the tree (under Y14/0824/SH) had been agreed to. The councillors felt this should be called into Development Control indicating that objections to the felling have been raised, of which the councillors were previously unaware.
