Prior to the commencement of the formal discussions of applications, Cllr Valentine-Neale allowed a presentation by a small group regarding concerns over the development of 5 Wellington Terrace. A number of issues were presented and it was agreed that this needed to be discussed in more detail by SPC. It was thought appropriate that the clerk should contact FHDC to highlight initial concerns.

4. Planning applications for discussion

Y19/1478/FH	West Grove Wellington Place	Demolition of existing 2 storey detached dwelling and the erection of a building comprising 5 residential apartments, including landscaping, parking and retention of existing access	Received 21 st February 2020 Comments by 12 th March 2020. -------------	-----------------------------	---	--

The Parish Council continues to object on the grounds of the previous application Y18/0308/SH namely: ‘the lack of accessibility for both construction and normal use (as evidenced by Kent Highway’s objection), concerns regarding land stability, adequacy of drainage locally, and over intensive development of the site.’

Although there are some welcome mitigations to the original application the Parish Council also object on the grounds that the west wing of the development in the garden still acts to the significant detriment of the conservation area.
