

# Sandgate Park

Although Sandgate Park remains open for exercise, on 23<sup>rd</sup> March the Government required the closure of:

*Enclosed spaces in parks, including playgrounds, sports courts and pitches, and outdoor gyms or similar.*

**Our children's playground, games pitches, zip wire, adult play equipment and petanque court are therefore CLOSED as of now, and should not be used.**

Please respect this closure, which is for public health reasons.
